

NOTICE TO DESIGN-BUILD FIRMS

SEBRING AVIATION AUTHORITY

The **Sebring Aviation Authority** hereby requests, pursuant to the Consultants Competitive Negotiation Act, Florida Statutes 287.055, Statements of Qualification from design-build firms desiring to render design-build services for the following project:

Building 22 Exterior Renovations AT SEBRING REGIONAL AIRPORT RFQ # 16-05

Under this agreement the selected Design Build Firm (DBF) may be tasked to perform:

An evaluation and inspection of roof of Building 22, including the removal of trim and inspection of the internal sealants/tapes for signs of leaking. Based on that evaluation/inspection, a design would be developed and a PEMP Panel Installer/Contractor would address the leaks and replace sealants, roof panels, and trim as necessary. Project also includes the addition of two exterior fire escape stairs to the second floor of Building 22, including wall modifications and associated work.

A detailed scope of services may be obtained by contacting:
