Thank you for visiting sebring-airport.com. Sebring Regional Airport (SEF) strives to provide online resources in a safe, secure manner that respects your privacy when you visit our sites.

This privacy statement addresses the collection, use, disclosure and security of information that may be obtained by the Sebring Airport. In using the Sebring Airport website, you agree to do so in accordance with the privacy policies of this statement.

Information collected

We collect no personal information about you when you visit sebring-airport.com unless you choose to provide this information to us. However, some information is collected and stored automatically.

If you do nothing during your visit but browse through the website, read pages or download information, the following information is collected and stored automatically from your visit:

- The name of your domain; for example, "xyzcompany.com" if you use a private internet access account;
- An IP address; a number automatically assigned to your computer when you are using the internet;
- The type of browser and operating system used to access our site;
- The internet address of the website from which you linked directly to our site;
- The pages you visit within the portal; and

This information is collected for statistical analysis using third-party or proprietary software programs to create summary statistics. The statistics are used for the purpose of determining what information is of most and least interest to all visitors and identifying system performance or problem areas in order to better plan future portal enhancements. This information is not collected for commercial marketing purposes.

If, during your visit to sebring-airport.com, you voluntarily provide personally identifiable information, we will collect such information. Examples of personally identifiable information may include:

- Your name, address or phone number;
- An email address if you are communicating to us through email;
- Information you voluntarily submit to the sebring-airport.com for the purposes of completing or submitting an application or form online;
- Other information volunteered such as contact information, survey information or content of email.

In general, please note the information collected, whether or not personally identifiable, is not limited to text characters and may include audio, video and other graphic formats you send us. Information is retained and used in accordance with existing laws, rules, regulations, and other policies.

Use

Depending on the specific service or transaction, the Sebring Regional Airport may share personally identifiable information among its agencies in order to provide such service or complete such transaction.

Public disclosure

We will not disclose any personally identifiable information collected to entities outside of Sebring Regional Airport and Sebring, Florida departments and agencies except where you have given us permission, or where the information is public information under the Florida Open Records Act (listed in Chapter 119, section 1 of the Florida Statutes), or other applicable laws. Visitors should be aware that information collected through the website may be subject to examination and inspection, if such information is a public record, or not otherwise protected from disclosure.

Cookies

Sebring-Airport.com portal may occasionally use “cookies” to customize your browsing experience. Cookies are simple text files stored by your web browser and they provide a method of distinguishing among visitors to the websites. Cookies created on your computer by using our websites do not contain personally identifiable information and do not compromise your privacy or security. You can refuse the cookie or delete the cookie file from your computer at any time by using any one of a number of widely available methods.

Security

Several tools, policies and protocols are used to safeguard the submission of information through Sebring-airport.com. Security measures have been integrated into the design, implementation and day-to-day operations of the entire operating environment as part of our continuing commitment to the security of electronic content as well as the electronic transmission of information.

Sebring-airport.com uses the Secure Sockets Layer (SSL) encryption protocol to safeguard your sensitive personal information, including your credit card number. Information is encrypted from your computer to the portal computer processing your request.

In order to further secure your privacy, do not divulge any passwords or sensitive information to anyone in a phone call or email. When you are finished with those applications that are password protected or required the input of your credit card or personal information, it is always recommended that you close or otherwise exit the browser page.

Links to other sites

Please note that sub-portals and/or specific pages may contain additional or different privacy statements. Sebring-Airport.com website may include links to other sites. When you link to another site, you are no longer on our site and are subject to the privacy policy of the new site. Sebring Regional Airport does not endorse, support or otherwise promote any private or commercial entity that may be reached through links on our website.

Sebring Regional Airport makes no claims, promises or guarantees about the accuracy, completeness or adequacy of the contents of this website and expressly disclaims liability for errors and omissions in the contents of this website. No warranty of any kind, implied, expressed or statutory — including but not limited to opinions or statements made by third parties, information provided by individuals other than the website operator — is given with respect to the contents of this website or its hyperlinks to other internet resources.

Email

Email is not a secure form of transmission. As such, Sebring-Airport.com does not recommend that you submit sensitive or personally identifiable information via email. If you choose to provide us with personal information in an email, we may use the email and the information contained within it to improve our service to you or to respond to your request. Sometimes, we may forward your email to other Sebring Regional Airport employees who may be better able to help you, and this staff may be employed by a different department within the airport. Except for authorized law enforcement investigations or as required by law, we do not share our email with any other organizations outside of the City of Sebring.

Changes to this privacy statement

Revisions to this privacy statement will be posted to this location so that you will know the type of information we collect and how that information is used. We will also post the last date of revision at the top of this page.

Our goal is to provide a private, efficient and friendly digital government experience. If you have comments or questions regarding privacy at Sebring-airport.com, please contact us at info@sebring-airport.com.
